OBJECTIVE

My calling as a Worship Pastor is to lead the church to dwell in the presence of God through worship, not only during our weekend gatherings, but in our everyday lives. My desire is to lead a worship ministry that is motivated to share the love and message of Jesus because of what He has done in and through our lives. Every note that we play and song that we sing will be relevant, rooted in scripture and executed with excellence to the Glory of God with the best of our abilities.
